Financial Policy

We are dedicated to providing you with the best possible care and service and regard your understanding of our financial policies as an essential element of your care and treatment. To assist you, we have the following financial policy. If you have any questions, please feel free to discuss them with our staff. Unless other arrangements have been made in advance by either yourself or your health coverage carrier, **full payment is due at the time of service.** For your convenience, most credit cards are accepted.

Your Insurance

We have made prior arrangements with many insurers and health care plans. We will bill those plans with whom we have an agreement and will collect any required co-payment at the time of service. The co-payment will be collected when you arrive for your appointment. In the event that your health coverage plan determines a service to be "not covered," **you will be responsible for the complete charge.** In that event, we will bill you and payment is due upon receipt of that statement.

If you have insurance coverage with a plan with which we do not participate, **payment is expected at the time that services are rendered**. We will provide you with a receipt from our office for you to submit to your insurance carrier. Your insurance company should then send the payment directly to you.

Missed Appointments

In order to provide the best possible service and availability to all our patients, there may be a $15.00 fee for any doctor appointment not canceled at least 24 hours in advance. Also, due to the scheduling of massage therapy, there may be a fee of 75% of our regular massage charges for appointments not canceled at least 24 hours in advance. Please call us as early as possible if you know you will need to reschedule your appointment. More than three (3) "no show" appointments without a valid reason may result in discharge from our practice.

I have read and understand the financial policy of the practice; and, I agree to be bound by its terms. I also understand and agree that such terms may be amended from time to time by the practice.
